## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
Adopt-A-Family  
of the Palm Beaches, Inc.  
Lake Worth, Florida

We have audited the accompanying consolidated financial statements of Adopt-A-Family of the Palm Beaches, Inc. (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2014, and the related consolidated statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the consolidated financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Adopt-A-Family of the Palm Beaches, Inc. as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated December 19, 2014, on our consideration of Adopt-A-Family of the Palm Beaches, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Adopt-A-Family of the Palm Beaches, Inc.'s internal control over financial reporting and compliance.

## **Other Matters**

### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by *Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. In addition, the consolidated schedule of program expenses is presented for purposes of additional analysis, and is not a required part of the basic consolidated financial statements. The schedule of expenditures of federal awards and consolidated schedule of program expenses are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

## **Report on Summarized Comparative Information**

We have previously audited the June 30, 2013 financial statements, and our report dated February 7, 2014, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013, is consistent, in all material respects, with the audited financial statements from which it has been derived.

1. **Business and Summary of Significant Accounting Policies**

*Presentation*

The accompanying financial statements reflect the consolidated financial statements of Adopt-A-Family of the Palm Beaches, Inc. ("AAF") and LW NSP2, LLC ("LLC") (collectively the "Organization"). All significant inter-organization accounts and transactions have been eliminated.

*Organization*

Adopt-A-Family of the Palm Beaches, Inc. was incorporated in November 1984, as a not-for-profit corporation under Florida law. AAF is a non-profit 501(c)(3) organization dedicated to restoring families in crisis to stability and self-sufficiency by providing access to all-encompassing services to families and their children. LW NSP2, LLC was incorporated in December 2010, as a single member LLC with AAF as the only member. The LLC owns and operates various rental properties under the Neighborhood Stabilization Program 2. Some of the programs offered by the Organization include:

*Project GROW*

Project GROW is the agency's licensed afterschool/out-of-school program serving children ages five to twelve. Most children attending are formerly homeless and reside in one of the agency's housing programs. The program is customized to meet the unique needs of formerly homeless children and focuses on building the children's social, emotional, and educational skills.

*A Place Called Home (A.P.C.H.)*

A Place Called Home is a permanent supportive housing program for homeless families primarily funded by the U.S. Department of Housing and Urban Development (HUD). The program offers scattered site housing in Lake Worth to homeless families living with a disability. The program offers intensive case management and supportive services to all residents.

*Bridges to Success*

Bridges to Success is a permanent supportive housing program for homeless families funded by HUD. The program offers scattered site housing in western Palm Beach County to homeless families living with a disability. The program offers intensive case management and supportive services to all residents and is one of the only options for homeless families residing in Belle Glade, Pahokee, and others areas in western Palm Beach County. This is a collaborative program with other not-for-profit agencies for residents in Palm Beach County.

*Project S.A.F.E. (Stable, Able, Family Environment)*

Project SAFE is a permanent supportive housing program for homeless families partially funded by HUD. The program consists of 32 units of agency-owned housing and is currently the largest permanent housing program for homeless families living with a disability in Palm Beach County. The program offers intensive case management and supportive services to all residents.

*Organization, continued*

*Service Enriched Housing (S.E.H.)*

The Service Enriched Housing program offers housing to low-income families who are on the path to home ownership. The program consists of 28 two-bedroom apartment units located adjacent to the Organization's Family Resource Center. Rent is based on 30% of the family's income. The Organization captures the first \$500 as the base rent, all additional funds are placed in escrow and are used for credit repair, home ownership activities, and general wealth building.

*Housing Stabilization Program*

The Housing Stabilization Program provides homeless prevention services to families who are at imminent risk of becoming homeless. Families receive case management, financial assistance, and other supportive services to help them remain in their home.

*Senator Philip D. Lewis Homeless Resource Center (HRC)*

The Organization is a partner agency of Palm Beach County's homeless resource center (HRC) opened in 2012. The HRC serves as Palm Beach County's "front door" for access to homeless services. The Organization operates the family division and provides homeless families with assessments, case management, access to mainstream resources, vital shelter and housing services, and permanent housing.

*Neighborhood Stabilization Program 2 (NSP2)*

The Organization, in partnership with the Lake Worth Community Redevelopment Agency (CRA), was one of 56 awardees in 2010 to be awarded funding through HUD's NSP2 funding competition. The goal of the program is to stabilize neighborhoods through the acquisition and rehabilitation of foreclosed properties. The Organization rehabbed and constructed a total of forty-one housing units in the City of Lake Worth as a result of this opportunity. As of June 30, 2014, a total of seventeen units were sold to income-qualified households and twenty-four units were retained by the Organization and are currently being used as rental properties for low-income families.

*Community Land Trust Program/Wiley Reynolds Apartments*

The Organization's Community Land Trust Program combined with the Organization's Wiley Reynolds Apartments provides affordable home ownership and rental opportunities to income qualified households. Home ownership opportunities use a land lease model in which the Organization retains ownership of the land while the purchaser owns the improvements. This permits the improvements to be sold at a reduced rate. Rental opportunities primarily consist of the nine-unit Wiley Reynolds Gardens apartments. The units were constructed in 2008 and offer low-income and homeless families housing that is priced below 50% of the fair market rent rates.

*Basis of Accounting*

The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenues are recognized when they are earned, and expenses are recognized when they are incurred.

*Consolidated Financial Statement Presentation*

The Organization has adopted FASB Accounting Standard Codification (FASB ASC) 958-205. Under the standard, the Organization is required to report information regarding its activities according to three classifications of net assets: unrestricted, temporarily restricted, and permanently restricted.

The following paragraphs describe the three classes of net assets:

Unrestricted Net Assets: this classification includes those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by contract or by board designation. Changes in net assets arising from exchange transaction (except income and gains on assets that are restricted by donors or by law) are included in the unrestricted by class.

Temporarily Restricted Net Assets: this classification includes those net assets whose use by the Organization has been limited by donors to either later periods of time, or after specified dates, or for a specified purpose.

Permanently Restricted Net Assets: this classification includes those net assets that must be maintained by the Organization in perpetuity. Permanently restricted net assets increase when the Organization receives contributions for which donor-imposed restrictions limiting the Organization's use of an asset or its economic benefits neither expire with the passage of time nor can be removed by the Organization meeting certain requirements. The Organization had no permanently restricted net assets as of June 30, 2014.

*Estimates*

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

*Comparative Financial Statement Information*

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2013, from which the summarized information was derived.

*Fair Value of Financial Instruments*

The Organization follows FASB ASC 820-10, *Fair Value Measurements and Disclosures*, which provides a common definition of fair value, establishes a framework to measure fair value within accounting principles generally accepted in the United States of America, and expands the disclosures about fair value measurements. The standard does not create any new fair value measurements. Instead, it applies under existing accounting pronouncements that require or permit fair value measurements.

For assets and liabilities measured at fair value on a recurring basis, entities should disclose information that allows financial statement users to assess (1) the inputs used to develop such measurements, such as Level 1 (i.e., quoted price in an active market for an identical asset or liability), Level 2 (i.e., quoted price for similar assets or liabilities in active markets), or Level 3 (i.e., unobservable inputs); and (2) the effect on changes in net assets of recurring measurements that use significant unobservable (Level 3) inputs. The Organization's did not have financial instruments measured at fair value on a recurring basis.

The following methods and assumptions were used by the Organization in estimating fair value of financial instruments that are not disclosed under ASC 820-10.

*Cash and Cash Equivalents:* The carrying amount reported approximates fair value.

*Grants and Allocations and Contributions Receivable:* The carrying amount approximates fair value due to the short term of the receivables.

*Accounts Payable and Accrued Expenses:* The carrying amount reported approximates fair value due to the short term duration of the instruments.

*Capital Lease, Line of Credit and Loans Payable:* The carrying amount reported approximates fair value as the stated interest rates approximate market rates.

*Cash and Cash Equivalents*

Cash and cash equivalents include checking, savings, money market accounts, and petty cash. The Organization also considers short-term investments with a maturity of three months or less when purchased to be cash equivalents.

*Grants and Allocations Receivable*

Grants receivable are recorded when services have been rendered. If events or changes in circumstances indicate that specific receivable balances may be disallowed by the granting authority, the receivable balances are written-off as an operating expense. Allocations receivable that are unconditional are recorded at the time of receipt.

1. **Business and Summary of Significant Accounting Policies, continued**

*Promises to Give*

Unconditional promises to give are recognized as support in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Unconditional promises to give noncash assets that are expected to be received in future years are recorded at the present value of the expected fair value of the underlying noncash assets expected to be received. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Any changes in the expected fair value of underlying noncash assets are reported as increases and decreases in contribution revenue in the period the change occurs. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

*Property and Equipment*

Acquisitions of property and equipment in excess of \$1,500 are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair market value at the date of the donation. Donations of property and equipment are recorded as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method over the estimated useful life of the assets, ranging from 3 to 39 years.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend the useful lives are not capitalized. Improvements are capitalized and depreciated over the remaining useful lives of the related fixed assets.

*Resident Deposits and Escrow Accounts*

In connection with its various housing programs, the Organization receives and maintains deposits on rent and escrow funds for residents to be later returned to them or recorded as revenue.

*Accrued Absences*

Employees may accumulate unused vacation based upon the length of service. Accumulated vacation is payable to eligible employees upon termination or retirement at the current rate of pay, if employed more than 90 days. Accumulated unpaid vacation is accrued as a liability and charged to expense as incurred.

*Refundable Advances*

The Organization has reimbursement arrangements with various grantors whereby the Organization receives funds ahead of the expenditure. In accordance with the terms of these arrangements, any funds that are not spent within the contract period must be refunded to the grantors.

*For The Year Ended June 30, 2014*

1. **Business and Summary of Significant Accounting Policies, continued**

*Designated for Contingencies*

The Organization determined there was no current need for a specified contingency fund as of June 30, 2014.

*Revenue Recognition*

The Organization receives various grants from federal, local, and private agencies for program and supporting service expenses. These grants are generally on a cost reimbursement basis, including recoverable overhead. Revenues from grants are deemed earned and recognized in the Consolidated Statement of Activities when expenditures are made for the purpose specified. Funds that have been received but have not yet been expended for the purpose specified are reported as temporarily restricted revenue or refundable advance, as applicable.

Grants which are not awarded on a cost reimbursement basis are recorded as support in the year for which the grant was awarded and in which the conditions to the grant are met.

*Support and Revenue*

Foundation support, unconditional promises to give, and other contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when either the stipulated time restriction ends or the purpose restriction is accomplished, temporarily restricted net assets are reclassified and reported in the Statements of Activities as net assets released from restrictions. However, if the restriction is met in the same period as the restricted income is received, the Organization classifies such income as unrestricted support.

*In-Kind Donations*

The Organization records various types of in-kind support including contributed professional services and materials. Contributed professional services are recognized if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair value when received. The total amount of donated goods during the year ended June 30, 2014, amounted to approximately \$28,500. This amount is recognized as both revenue, under the caption of in-kind donations, and as various expenses in the Consolidated Statement of Activities and Consolidated Statement of Functional Expenses. There were no significant contributions of professional services for the year ended June 30, 2014.

In addition, the Organization relies on volunteers who donate significant time in the advancement of its goals; however, such services do not meet the criteria for financial statement recognition and are therefore not included herein.

*Expense Allocation*

The costs of providing various programs and other activities have been summarized on a functional basis in the Consolidated Statement of Activities and according to natural classification in the Consolidated Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

*Specific Assistance*

Specific assistance expense, as denoted on the Consolidated Statement of Functional Expenses, consists of direct financial assistance expended on behalf of the Organization's clients correlating to the mission of the respective programs.

*Advertising Costs*

Advertising costs are charged to operations when incurred. Advertising expense for the year ended June 30, 2014, amounted to approximately \$5,480.

*Income Taxes*

Adopt-A-Family of the Palm Beaches, Inc. is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. LW NSP2, LLC is a single member LLC and is treated as a disregarded entity for income tax purposes. Therefore, no provision for income taxes has been made in these consolidated financial statements. In addition, AAF qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and has been classified as an organization other than a private foundation under Section 509(a)(1).

The Organization follows FASB ASC 740-10-00, "Accounting for Uncertainty in Income Taxes." This pronouncement seeks to reduce the diversity in practice associated with certain aspects of measurement and recognition in accounting for income taxes. It prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position that an entity takes or expects to take in a tax return. An entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold. The Organization assesses its income tax positions based on management's evaluation of the facts, circumstances and information available at the reporting date. The Organization uses the prescribed more likely than not threshold when making its assessment. The Organization has not accrued any interest expense or penalties related to tax positions for the year ended June 30, 2014, and there are currently no open Federal or State tax years under audit.

The land is held permanently by the Organization to ensure perpetual affordability; however, the homes are owned by those who live in them.

## REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of  
Adopt-A-Family  
of the Palm Beaches, Inc.  
Lake Worth, Florida

We have audited the consolidated financial statements of Adopt-A-Family of the Palm Beaches, Inc., as of and for the year ended June 30, 2014, and have issued our report thereon dated December 19, 2014. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

### ***Internal Control Over Financial Reporting***

In planning and performing our audit, we considered Adopt-A-Family of the Palm Beaches, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Adopt-A-Family of the Palm Beaches, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Adopt-A-Family of the Palm Beaches, Inc.'s internal control over financial reporting.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

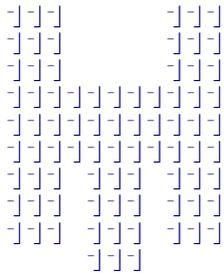

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether Adopt-A-Family of the Palm Beaches, Inc.'s consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the board of directors, management and federal awarding agencies and pass-through agencies and is not intended to be and should not be used by anyone other than these specified parties.

Adopt-A-Family of the Palm Beaches, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### ***Management's Responsibility***

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of Adopt-A-Family of the Palm Beaches, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Adopt-A-Family of the Palm Beaches, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Adopt-A-Family of the Palm Beaches, Inc.'s compliance.

### ***Opinion on Each Major Federal Program***

In our opinion, Adopt-A-Family of the Palm Beaches, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

### ***Report on Internal Control Over Compliance***

Management of Adopt-A-Family of the Palm Beaches, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Adopt-A-Family of the Palm Beaches, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Adopt-A-Family of the Palm Beaches, Inc.'s internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
