

Be a Holiday Adopter!

Help a family in need this holiday season!

Adopt-A-Family of the Palm Beaches, Inc. is dedicated to strengthening families with children in their efforts to achieve stability and self-sufficiency by providing access to all-encompassing services.

We are looking for Holiday Adopters for our families as they work toward self-sufficiency.

Donated money will enable the family to do their own shopping. You can empower a family through your donation so they can purchase the items they want and need the most.

OR

You can purchase gifts directly from the family's *wish list*. You can choose to deliver the gifts to the family at the Adopt-A-Family office or make arrangements to have a staff member deliver them for you.

For both options, we recommend a donation of **\$75-\$100** per person in the family.

Delivery of gifts must be completed by December 11, 2019.

Sign up today. *Our receipt of your completed donor form will be confirmation of your program participation. Family profiles matched to your donation preferences will be faxed or emailed to you in November.*

Email your completed donor form to mevangelista@aafpb.org or fax to 561-253-1370.

Questions? Please call Maria at 561-253-1361, ext. 1070.
